I thank you for your efforts-but I am really dis-appointed and saddened-
What acting commissioner Delaney sent out as draft report -
Is a soft non committal piece of junk-
You the Panel must stand up and publicly denounce this limp plan-and if you don't
Then shame on you all
Our children's future is at stake here- and nobody in OPWDD or our governor or our acting
Commissioner -could care less -Shame Shame Shame
We deserve better-and hopefully come election time -we will elect a decent honorable candidate
Who deserves and earns their salary
